- c) all other services.

Such journeys may be performed according to a certain sequence of trips without losing their nature of occasional services.

2. Za občasne prevoze iz prvega odstavka c) 6. člena tega sporazuma, ki se opravljajo z vozili, registriranimi na ozemlju ene pogodbenice, ne bo potrebna dovolilnica na ozemlju druge pogodbenice, če:

– je vožnja tja prazna, vsi potniki so vstopili na istem kraju in ti isti potniki:

a) so se oblikovali kot skupina s pogodbo o prevozu, ki je bila sklenjena pred njihovim prihodom na ozemlje druge pogodbenice, kjer vstopijo in se prevažajo na ozemlje pogodbenice, v kateri je vozilo registrirano, ali

b) je te iste potnike že prej prevažal isti prevoznik po določilih iz prvega odstavka b) 6. člena tega sporazuma na ozemlje druge pogodbenice, kjer kasneje vstopijo in se prevažajo na ozemlje, na katerem je vozilo registrirano, ali

c) so bili povabljeni na ozemlje druge pogodbenice pod pogojem, da prevozne stroške plača gostitelj. Potniki morajo sestavljati homogeno skupino, to je, ne skupine, ki bi bila sestavljena samo zaradi potovanja. To skupino je treba potem prepeljati na ozemlje pogodbenice, kjer je vozilo registrirano.

3. Dovolilnice bi morale biti potrebne za prevoz na ozemlje pogodbenice v primeru občasnega prevoza, omenjenega v prvem odstavku c) 6. člena, če se ti prevozi ne opravijo v skladu z določili iz drugega odstavka tega člena.

8. člen

1. Prevozniki, ki opravljajo prevoz potnikov razen prevozov, opisanih v 4. členu, morajo imeti v svojem vozilu pravilno izpolnjen spremni dokument s seznamom potnikov, ki ga je podpisal prevoznik, pristojni carinski organi pa opremili z žigom.

3. Prevoznik mora pravilno izpolniti spremni dokument in ga predložiti na zahtevo pooblaščene nadzorne osebe.

4. V primeru prevozov, pri katerih so vožnje tja prazne, kot je določeno v 7. členu tega sporazuma, je treba imeti te dokumente skupaj s spremnim dokumentom:

– v primerih iz drugega odstavka a) 7. člena: kopijo pogodbe o prevozu ali drugega ustreznegra dokumenta, ki vsebuje vse osnovne podatke o tej pogodbi (še zlasti te podatke: kraj, država in datum podpisa; kraj, država in datum vkrcanja potnikov; kraj in ciljno državo),

– v primerih iz drugega odstavka b) 7. člena: spremni dokument, ki je bil v vozilu med naloženo vožnjo tja in med ustrezeno prazno vožnjo nazaj, ki ju je opravil prevoznik zato, da bi prepeljal potnike na ozemlje druge pogodbenice,

– v primerih iz drugega odstavka c) 7. člena: pismo z vabilom gostitelja ali fotokopijo tega pisma.

DRUGI PREVOZI

9. člen

1. Za prevoze tja in nazaj na stalni progi, opisane v 5. členu in neliberalizirane občasne prevoze iz tretjega odstavka 7. člena, so potrebne dovolilnice v skladu z notranjimi zakoni in predpisi pogodbenice, na katere ozemlju se tak prevoz opravlja.

2. Vloge za dovolilnice iz prvega odstavka tega člena je treba predložiti vsaj en mesec pred potovanjem pristojnemu organu pogodbenice, na katere ozemlju se bo prevoz opravljal. Take vloge morajo vsebovati te podatke:

– the outward journey is performed empty, that all passengers are taken up at the same point, and that these passengers:

a) have been formed as a group by transport contract signed before their arrival in the territory of the other Contracting Party, where they are taken up and are transported to the territory of the Contracting Party in which the vehicle is registered, or

b) have earlier been transported by the same carrier, according to provisions specified in article 6, paragraph 1 b) of this Agreement, to the territory of the other Contracting Party where they are subsequently taken up and transported to the territory where the vehicle has been registered, or

c) have been invited to come to the territory of the other Contracting Party, provided that the transport costs are paid by the host. The passengers must form a homogeneous group, i.e. not a group formed for the mere purpose of performing the journey. This group must subsequently be transported to the territory of the Contracting Party where the vehicle is registered.

3. Permits should be required for transport to the territory of the Contracting Party concerned in case of occasional services mentioned in article 6, paragraph 1 c), if such services are not performed in accordance with the provisions set forth in paragraph 2 of this article.

Article 8

1. The carriers operating passenger services, except those described in article 4, must have in their vehicles a properly completed waybill containing the list of passengers, which has been signed by the carrier and stamped by competent customs authorities.

2. The waybill must be kept in the vehicle throughout the journey for which it has been issued.

3. The carrier is required to properly complete the waybill and must produce it at the request of any authorized inspecting officer.

ANNEX A

INTELLECTUAL PROPERTY

Pursuant to Article V of this Agreement, the Parties shall ensure adequate and effective protection of intellectual property created or furnished under this Agreement and relevant implementing arrangements. The Parties agree to notify one another in a timely fashion of any inventions or copyrighted works arising under this Agreement and to seek protection for such intellectual property in a timely fashion. Rights to such intellectual property shall be allocated as provided in this Annex.

I. SCOPE

A. This Annex is applicable to all cooperative activities undertaken pursuant to this Agreement, except as otherwise specifically agreed by the Parties or their designees.

B. Za namene tega sporazuma ima izraz "intelektualna lastnina" pomen, ki ga določa 2. člen Konvencije o ustanovitvi Svetovne organizacije za intelektualno lastnino, podpisane v Stockholm 14. julija 1967.

C. Ta priloga se nanaša na razdelitev pravic, deležev in honorarjev med pogodbenicama. Vsaka pogodbenica zagotovi drugi možnost za pridobitev pravice intelektualne lastnine, razdeljene v skladu s to prilogom, tako da te pravice pridobi od svojih udeležencev s pogodbami ali po potrebi z drugimi pravnimi sredstvi. Ta priloga sicer ne spreminja ali prejudicira razdelitev med pogodbenico in njenimi državljeni, ki jo določata zakonodaja in praksa pogodbenice.

D. Spore v zvezi z intelektualno lastnino, ki izhajajo iz tega sporazuma, naj s pogovori rešujejo ustrezne sodelujoče institucije ali po potrebi pogodbenici oziroma njuni pooblaščenci. Na podlagi soglasja pogodbenic se spor predloži arbitražnemu sodišču v zavezajoče razsojanje v skladu z veljavnimi pravili mednarodnega prava. Če se pogodbenici ali njuni pooblaščenci pisno ne dogovorijo drugače, veljajo arbitražna pravila Komisije Združenih narodov za mednarodno trgovinsko pravo (UNCITRAL).

E. Prenehanje ali potek tega sporazuma ne vpliva na pravice ali obveznosti iz te priloge.

II. RAZDELITEV PRAVIC

A. Vsaka pogodbenica je upravičena do neizključne, nepreklicne in brezplačne licence v vseh državah za prevajanje, razmnoževanje in javno distribuiranje znanstvenih in tehničnih časopisnih člankov, poročil in knjig, ki neposredno izhajajo iz sodelovanja po tem sporazumu. V vseh javno distribuiranih izvodih avtorskega dela, pripravljenega na podlagi te določbe, morajo biti navedena imena avtorjev dela, razen če avtor izrecno ne želi biti imenovan.

B. Pravice do vseh oblik intelektualne lastnine, razen pravic, navedenih pod II.A., bodo razdeljene takole:

1. Gostujoči raziskovalci, na primer gostujoči znanstveniki predvsem na študijskem izpopolnjevanju, pridobijo pravice intelektualne lastnine na podlagi politik institucije gostiteljice. Dodatno ima vsak gostujoči raziskovalec, ki je izumitelj, pravico do deleža od vsakega honorarja, ki ga pridobi institucija gostiteljica z licenciranjem te intelektualne lastnine.

2. (a) Za intelektualno lastnino, ustvarjeno med skupnim raziskovanjem, na primer pri vnaprejšnjem dogovoru o obsegu dela med pogodbenicama, sodelujočimi institucijami ali sodelujočim osebjem, je vsaka pogodbenica upravičena do pridobitive vseh pravic in deležev na svojem ozemlju. Pravice in deleži v tretjih državah bodo določeni z dogovori o izvajanju. Če raziskava v ustreznih dogovorih o izvajanju ni označena kot "skupna raziskava", bodo pravice do intelektualne lastnine, ki izhajajo iz raziskave, razdeljene v skladu z odstavkom II.B.1. Dodatno bo vsaka oseba, ki je izumitelj, upravičena do deleža honorarja, pridobljenega v kateri koli instituciji na podlagi licenciranja lastnine.

(b) Če ena pogodbenica zagotavlja zakonsko varstvo dolčene vrste intelektualne lastnine, druga pa ne, bo ne glede na odstavek II.B.2.(a) pogodbenica, katere zakoni predvidevajo to vrsto varstva, upravičena do vseh pravic in deležev po vsem svetu. Osebe, ki so izumitelji lastnine, bodo kljub temu upravičene do honorarja, kot določa odstavek II.B.2.(a).

III. ZAUPNE POSLOVNE INFORMACIJE

Če je informacija, pridobljena ali ustvarjena na podlagi sporazuma, pravočasno opredeljena kot zaupna poslovna informacija, pogodbenici in njuni udeleženci varujejo takšno informacijo v skladu z veljavnimi zakoni, predpisi in upravno prakso. Informacija je lahko opredeljena kot "zaupna poslovnna", če oseba, ki ima to informacijo, z njo lahko ustvari gospodarsko korist ali pridobi konkurenčno prednost pred tistimi, ki je nimajo, če informacija ni splošno znana ali dostopna javnosti iz drugih virov in če je lastnik ni predhodno dal na razpolago, ne da bi pravočasno določil zaupnost informacije.

B. For purposes of this Agreement, "intellectual property" shall have the meaning found in Article 2 of the Convention Establishing the World Intellectual Property Organization, done at Stockholm, July 14, 1967.

C. This Annex addresses the allocation of rights, interests, and royalties between the Parties. Each Party shall ensure that the other Party can obtain the rights to intellectual property allocated in accordance with the Annex, by obtaining those rights from its own participants through contracts or other legal means, if necessary. This Annex does not otherwise alter or prejudice the allocation of rights between a Party and its nationals, which shall be determined by that Party's laws and practices.

D. Disputes concerning intellectual property arising under this Agreement should be resolved through discussions between the concerned participating institutions or, if necessary, the Parties or their designees. Upon mutual agreement of the Parties, a dispute shall be submitted to an arbitral tribunal for binding arbitration in accordance with the applicable rules of international law. Unless the Parties or their designees agree otherwise in writing, the arbitration rules of the United Nations Commission on International Trade Law (UNCITRAL) shall govern.

E. Termination or expiration of this Agreement shall not affect rights or obligations under this Annex.

II. ALLOCATION OF RIGHTS

A. Each Party shall be entitled to a non-exclusive, irrevocable, royalty-free license in all countries to translate, reproduce, and publicly distribute scientific and technical journal articles, reports, and books directly arising from cooperation under this Agreement. All publicly distributed copies of a copyrighted work prepared under this provision shall indicate the names of the authors of the work unless an author explicitly declines to be named.

B. Rights to all forms of intellectual property, other than those rights described in section II.A. above, shall be allocated as follows:

1. Visiting researchers, for example, scientists visiting primarily in furtherance of their education, shall receive intellectual property rights under the policies of the host institution. In addition, each visiting researcher named as an inventor shall be entitled to share in a portion of any royalties earned by the host institution from the licensing of such intellectual property.

2. (a) For intellectual property created during joint research, for example, when the Parties, participating institutions, or participating personnel have agreed in advance on the scope of work, each Party shall be entitled to obtain all rights and interests in its own territory. Rights and interests in third countries will be determined in implementing arrangements. If research is not designated as "joint research" in the relevant implementing arrangements, rights to intellectual property arising from the research will be allocated in accordance with paragraph II.B.1. In addition, each person named as an inventor shall be entitled to share a portion of any royalties earned by either institution from the licensing of the property.

(b) Notwithstanding paragraph II.B.2.(a), if a type of intellectual property is protected under the laws of one Party but not the other Party, the Party whose laws provide for this type of protection shall be entitled to all rights and interests worldwide. Persons named as inventors of the property shall nonetheless be entitled to royalties as provided in paragraph II.B.2.(a).

III. BUSINESS-CONFIDENTIAL INFORMATION

In the event that information identified in a timely fashion as business-confidential is furnished or created under the Agreement, each Party and its participants shall protect such information in accordance with applicable laws, regulations, and administrative practice. Information may be identified as "business-confidential" if a person having the information may derive an economic benefit from it or may obtain a competitive advantage over those who do not have it, the information is not generally known or publicly available from other sources, and the owner has not previously made the information available without imposing in a timely manner an obligation to keep it confidential.

PRILOGA B**OBVEZNOSTI GLEDE VARNOSTI****I. ZAŠČITA INFORMACIJ**

Pogodbenici se strinjata, da ne bo nobena informacija ali oprema, katere zaščito terjajo interesi državne obrambe ali odnosov s tujino ene ali druge pogodbenice in je zaupna v skladu z veljavnimi državnimi zakoni in predpisi, dana na razpolago po tem sporazumu. Če se med izvajanjem dejavnosti sodelovanja po tem sporazumu ugotovi, da gre za informacijo ali opremo, za katero je znano ali se domneva, da zahteva takо varstvo, se takoj obvestijo ustrezni uslužbenci in se pogodbenici posvetujeta o potrebnosti in dodelitvi stopnje ustreznega varstva take informacije ali opreme.

II. PRENOS TEHNOLOGIJE

Prenos informacij ali opreme med pogodbenicama, ki niso označene kot zaupne, vendar so izvozno kontrolirane, mora biti v skladu z ustreznimi zakoni in predpisi vsake pogodbenice, da se prepreči nedovoljeni prenos ali prenos v tretje države takih informacij ali opreme, zagotovljenih ali izdelanih po tem sporazumu. Natančne določbe za preprečitev nedovoljenega prenosa in prenosa v tretje države takih informacij ali opreme se vključijo v pogodbe ali dogovore o izvajanju, če katera od pogodbenic meni, da je to potrebno.

3. člen

Za izvajanje sporazuma skrbi Ministrstvo za znanost in tehnologijo.

4. člen

Ta zakon začne veljati naslednji dan po objavi v Uradnem listu Republike Slovenije – Mednarodne pogodbe.

ANNEX B**SECURITY OBLIGATIONS****I. PROTECTION OF INFORMATION**

Both Parties agree that no information or equipment requiring protection in the interests of national defense or foreign relations of either Party and classified in accordance with the applicable national laws and regulations shall be provided under this Agreement. In the event that information or equipment which is known or believed to require such protection is identified in the course of cooperative activities undertaken pursuant to this Agreement, it shall be brought immediately to the attention of the appropriate officials and the Parties shall consult concerning the need for and level of appropriate protection to be accorded such information or equipment.

II. TECHNOLOGY TRANSFER

The transfer of unclassified export-controlled information or equipment between the Parties shall be in accordance with the relevant laws and regulations of each Party to prevent the unauthorized transfer or retransfer of such information or equipment provided or produced under this Agreement. If either Party deems it necessary, detailed provisions for the prevention of unauthorized transfer or retransfer of such information or equipment shall be incorporated into the contracts or implementing arrangements.
