**Seznam preračunskih zdravil z liste, ki jim je poteklo dovoljenje za promet ali pa jih ni več na trgu**

| Delovna šifra | Lastniško ime zdravila                              | Razvrstitev |
|---------------|-----------------------------------------------------|-------------|
| 012629        | ASPIRIN 100 tableta 20x100mg                        | N           |
| 000965        | ATROVENT inhalac.razt.15ml 30 inhal.(21µg/inhal.)   | N           |
| 058033        | BEROTEC 200 aeros.za inhal.200 inh. (200 µg/1 inh.) | N           |
| 062685        | CILEST tableta 3x21                                 | N           |
| 006750        | CIPROBAY URO tableta 6x100mg                        | N           |
| 050415        | COLESTID zrnca 50x5 g                               | N           |
| 013978        | CONVULEX kapsula 100x150mg                          | N           |
| 037575        | CONVULEX kapsula 100x300mg                          | N           |
| 037591        | CONVULEX kapsula 100x500mg                          | N           |
| 037621        | CONVULEX razt.100ml (300mg/1ml)                     | N           |
| 037656        | CONVULEX sirup za otroke 100ml (50mg/1ml)           | N           |
| 049158        | CORVATON RETARD tableta 30x8mg                      | N           |
| 023019        | DEXAMETHASON tableta 10x0,5mg                       | N           |
| 095311        | DIAMOX kapsula 100x250mg                            | N           |
| 095303        | DIAMOX kapsula 28x250mg                             | N           |
| 095338        | DIAMOX tableta 100x125mg                            | N           |
| 095346        | DIAMOX tableta 100x250mg                            | N           |
| 063800        | DISTRANEVRIN kapsula 50x200mg                       | N           |
| 027553        | ELTROXIN tableta 100x0,1mg                          | N           |
| 063886        | ENDOXAN obl.tableta 100x50mg                        | N           |
| 063878        | ENDOXAN obl.tableta 25x50mg                         | N           |
| 097411        | GLUCAGEN 1mg steklenička 1x1mg plv+1x1ml vehikl     | N           |
| 057703        | GOPTEN 0,5 kapsula 50x0,5mg                         | N           |
| 045187        | HOMOLONG 40 razt.za inj.1x400 ie/10ml               | N           |
| 076554        | HONVAN tableta 30x120mg                             | N           |
| 077593        | HONVAN tableta 50x120mg                             | N           |
| 095745        | HUMAJECT M1 pero 5x300i.e./3ml                      | N           |
| 095842        | HUMAJECT M2 (20/80) suspen.za inj.5x300 ie/3ml      | N           |
| 095869        | HUMAJECT M4 (40/60) suspen.za inj.5x300 ie/3ml      | N           |
| 095885        | HUMALOG 100 razt.za inj.5x150 ie/1,5ml              | N           |
| 095893        | HUMALOG 40IE/ml steklenička 10ml (40ie/ml)          | N           |
| 095974        | HUMULIN M1 vložek 5x300i.e./3ml                     | N           |
| 096091        | HUMULIN M4 vložek 5x300i.e./3ml                     | N           |
| 081949        | HUMULIN N (NPH) suspen.za inj.1x400 ie/10ml         | N           |

| Delovna šifra | Lastniško ime zdravila                             | Razvrstitev |
|---------------|----------------------------------------------------|-------------|
| 082171        | HUMULIN N (NPH) suspen.za inj.5x150 ie/1,5ml       | N           |
