(1) Notwithstanding the rules for the interpretation of the Combined Nomenclature, the wording of the description of the products is to be considered as having no more than indicative value, the preferential scheme being determined, within the context of this Annex, by the coverage of the CN code. Where ex CN codes are indicated, the preferential scheme is to be determined by application to the CN code and corresponding description taken together.

(2) In cases where an MFN minimum duty exists, the applicable minimum duty is equal to the MFN minimum duty multiplied by the percentage indicated in this column.

(3) This concession is only applicable to products not benefiting from any kind of export subsidies and accompanied by an export licence (see Annex) indicating that no export refunds have been paid.
